The following information is designed as "directory information";

If no objection is received within ten days of the official notification, the information will be classified as directory information until the beginning of the next school year.

PROFICIENCY BASED PROMOTION

All students in grades K-12 are eligible for Proficiency Based Promotion if they perform at the 90% level on designated assessments. Elementary or secondary students may advance one or more levels in the core curriculum areas. Parents are encouraged to confer with school officials to determine what is appropriate for their child. Test will be administered twice per school year.

ARRIVALS/DEPARTURES/DELIVERIES

Students are encouraged to arrive at school no earlier than 7:45 a.m., unless arriving by bus or to attend opportunity period and no later than 8:00 a.m. Classes start promptly at 8:05 a.m. and all students are expected to be in their first period class at that time. Students arriving after 8:05 a.m. must sign-in at the office. In order to minimize interruptions to classes, students who are picked up by their parents after school, on a regular basis, will not be allowed to leave class until after the 2:50 p.m. bell. Parents are urged to make after school arrangements with their children before the students arrive at school. In the event of an emergency, the office personnel will make every effort to locate students and deliver last minute instructions; however, the school office is an extremely busy area and messages do occasionally get misplaced. We do not guarantee deliveries; therefore, if a student must receive a delivery it should be sent to the student's home.

Parents taking their children from class must come to the office and the student will be called from class. All students leaving the school grounds for any reason **must clear through the office**, if ill the student must also go through the health aid, (get permission from the principal). If students return to school on the same day they left they must clear through the office before returning to class. Students will not be permitted to leave school with anyone other than their parents or legal guardians unless permission is granted by parents or guardians.

NOTE: Tommie Spear Middle School is a closed campus and students may not leave the school ground during the school day without approval of the principal and after consultation with the parents.

CAMPUS

There are certain areas of the campus that are off limits to students during the normal school day. The areas south of the main building to the ditch, west of the building toward the apartments, between the cafeteria and the auditorium, and the area between the media center and the old vocational agriculture building are not to be used as play ground areas. The area North of the main building where the picnic tables and shelter are located is the only outside area to be used for eating lunch for those students who bring their lunches or purchase snacks from the vending machines. The gymnasium will be used during inclement weather.

CLOSED CAMPUS

As students arrive on campus they will be required to remain on campus until they are dismissed at the end of the school day. **Any student leaving campus during the school day must have parent/guardian permission and the permission of the principal.**

STUDENT ATTENDANCE POLICY ACTIVITIES ABSENCES

PHILOSOPHY

The Sallisaw Board of Education encourages students to be in attendance in their regularly scheduled classes so that maximum learning can take place. Realizing that educational programs are built on the foundation of continuity and participation in the classroom setting, Sallisaw Schools believe in consistent classroom attendance. In order to facilitate a balance between attendance in regularly scheduled classes and absences for activities the following guides are established:

1. The maximum number of absences for activities, whether sponsored by school or an outside organization, which removes the student from the classroom, shall be five (5) for any one class period of each school semester.
2. School sponsored activities to be included in the five (5) days are: All sports, music, and 4H.

GENERAL ATTENDANCE

Only necessary and legitimate reasons for being out of school are considered excused. These reasons could be illness of the student, serious illness in his/her family, funeral of a close friend or relative, or some other pressing emergency. When a student is absent from school, the principal's office must be notified before the student will be granted an excused absence. Parents may notify the school by a phone call or by a note sent to the office on the day the student returns to school. Failure to call or send a note may result in the student not being allowed to make up work.

More than 10 days absences (excused or unexcused) in a semester may result in a failing grade unless the principal decides that there are circumstances, such as hospitalization, car accident, or some other extreme situation, which would justify the waving of this regulation. This regulation excludes school-sponsored activities, which are addressed by a separate policy.

Any student not in compliance with the compulsory school attendance laws of the State of Oklahoma, Title 70 SS 10; 105-106, will be reported to the Sequoyah County District Attorney.

TEXTBOOKS

Students will be issued a textbook in all core curriculum classes. The textbooks are to be taken home and kept there for the student to use throughout the school year. All textbooks are to be turned in at the end of the school term or when the student withdraws from the class. No textbooks will be issued to students who owe for damaged or lost textbooks. Since student textbooks are to be left at home **backpacks and book bags are not to be brought to school after the first two days of the school term. Athletic clothing may be brought to school in a bag that will fit in the student's locker.**

MAKE-UP WORK

Students will be given one (1) day after returning to school to make arrangements with the teacher for make-up assignments. The teacher will allow one (1) day for each day missed for make-up work. Regardless of the reason for the absence it will be the responsibility of the student to make up any work missed. The student must see the teacher concerning missed assignments. If an assignment or test is

planned while a student is present, it is the responsibility of the student to have his/her assignment prepared when they return to class. Students with an excusable absence are to make up their work; all other absences are to be considered unexcused because valid reasons were not supplied by the student's parents.

It is the student's responsibility to obtain missed assignments from the teachers upon their return to school or to use the T.S.M.S. Hotline by calling 775-1290 between the hours of 4:00pm and 7:00am. Information about missing assignments can also be accessed on Classroll.com.

ZEROS AREN'T PERMITTED (ZAP)

One way we strive to improve academic performance is through our ZAP program. We attempt increase the student's sense of responsibility

GRADE CHECKS

Grade checks will be given to each student at the end of the fifth week of each nine week period. Grades are to be recorded in the *STUDENT PLANNER* by the student each time they receive a grade. Parents can determine the performance of their student by referring to the *STUDENT PLANNER*. Information about student's progress can also be accessed on Classroll.com.

UNEXCUSED ABSENCES

Unexcused absences are given when there is no satisfactory or legitimate reason for being absent. Visiting, hunting, fishing, attending out-of-town games or events, shopping, and going to the barber shop or hairdresser are examples of unexcused absences even though the parent may consent. If the parent does not give permission, this type of absence is classified as truancy and is dealt with as such. *The student will not be allowed to make up work for unexcused absences.*

TARDIES

It is important that students be in their classroom each period before the tardy bell rings. Students are allowed 4 tardies per semester before disciplinary action is taken.

1. The fifth tardy students will be assigned one day of lunch detention.
2. The sixth and all additional tardies students will be assigned lunch detention for that day.

*** Any missed detentions must be pre-approved or may result in ISS or being suspended from school.**

TRUANCY

A student is considered truant when he or she: (1) leaves school without the permission of the principal; (2) leaves home to attend school but fails to arrive on time; (3) leaves class and fails to return; (4) fails to go to class. Students will receive zeros for work missed as a result of truancy.

1. The first occurrence of truancy will result in three days ISS, plus a parent conference.
2. The second occurrence of truancy will result in five days ISS, plus a parent conference.
3. The third occurrence of truancy may result in suspension.

BICYCLES, SKATE BOARDS AND SCOOTERS

In the interest of safety, bicycle, scooter, and skate board riding on the school grounds is not permitted. Bicycles must be kept in the racks provided and skate boards and scooters are to be turned in at the office. During lunch and between classes students are to stay away from the bicycle racks. It is the responsibility of the students to secure their bicycles to the rack with the proper security devices.

- Shorts must be no shorter than finger tip length when arms are held straight down by your side while standing.
- Any item of clothing, unnatural hair color, or lack of clothing that causes disruption in the classroom is considered inappropriate attire.

ENROLLMENT

All students are required to enroll according to dates published in the news media. Pre-enrollment will be held each spring for the following year. All students not previously enrolled in Sallisaw Schools **must have an UP TO DATE, OFFICIAL IMMUNIZATION RECORD** on file with the school before they can attend any classes.

Indian students are requested to bring tribal membership cards and **CDIB** cards to the counselor upon enrollment.

INSURANCE

Accident insurance is not provided by the school; however, student insurance is available at minimum cost through an insurance company approved by the school district. Parents are urged to obtain adequate coverage, either through the school approved policy of their own insurance company.

Schedule Changes

Schedule changes are rarely needed. If a schedule change becomes necessary, students must complete a request form from the counseling office and have it signed by the parent and all teachers involved. When the signed form is returned to the counselor's office, the counselor will evaluate the request and make the change, if possible. Other than administrative changes, schedule changes are limited to the beginning of a semester only.

MEALS

Breakfast is served from 7:30 to 7:55 daily at a cost of 65 cents a day. Those students eating free lunches are also eligible for free breakfasts. An ID number will be supplied to each student by the school. Parents are encouraged to pay for meals with a check to decrease the amount of cash money your child will carry with them. It is best to pay for at least 2 weeks at a time or for a month at a time if possible.

Our cafeteria serves a nutritious, hot lunch each day at a cost of 85 cents a day. A self-serve salad bar is a part of the daily lunch menu. Students are not to take food items from the cafeteria. Students are allowed one weeks charge and are not allowed to charge again until the previous charge is paid.

Pupils bringing sack lunches eat in the picnic area north of the main building or in the bleachers of the gymnasium during inclement weather. Students **ARE NOT ALLOWED TO LEAVE THE GROUNDS FOR LUNCH UNLESS PICKED UP BY A PARENT**. No student will be allowed to leave with the parent of a fellow classmate without permission from the principal.

Applications for free or reduced price lunches are available from the office upon request. These applications **must be filed at the beginning of every school year, even if you were approved for free or reduced lunches the year before.** One application for each family is all that is necessary provided all students' names are listed on the application.

MEDICATION

Any necessary medication required by the student is the responsibility of the student and parent. Our school policy states that school personnel will not give medication (prescription or non-prescription) to students during school hours. We encourage you to discuss with your physician the possibility of scheduling your child's medication so that it can be given at home. However, if your physician feels that it is necessary for the medication to be given during school hours, you will need to follow these steps:

1. Pick up "medication" form from the Principal's Office. Complete the form and return it to the Principal's Secretary. No medication will be given unless accompanied by this form.
2. Send medication(s) in sealed container(s).
3. Label medication container(s) with your child's name, the doctor's name, and the name of the medication. If you have any questions concerning our medication policy or the use of the forms, please feel free to contact the school nurse at 775-5544. We sincerely appreciate your cooperation in this matter.

HEAD LICE POLICY

The student must be accompanied to school by a parent/guardian and examined by the school nurse before returning to classes

MENINGOCOCCAL DISEASE

You may obtain an English or Spanish version of this information from your child's building nurse or counselor at any time. This information is also published on the Sallisaw School District website which is www.sallisawps.org. If you have questions, please contact the Sallisaw District School Nurse at 775-5544.

ASBESTOS

In response to the Asbestos Hazard Emergency Response Act, P.L. 99-519 and EPA Regulations, we have completed a survey of our buildings for asbestos containing building materials.

As a result of our recent building survey concerning asbestos, we are pleased to announce that areas that contain asbestos pose no health problem.

The management plan (results of the survey) will be available for your viewing during office hours in the office of the Principal. Please call for an appointment.

GOOD SPORTSMANSHIP

Good sportsmanship is when teammates, opponents, coaches, and officials treat other with respect. Kids learn the basics of sportsmanship from the adults in their lives, especially their parents and their coaches. Kids who see adults behaving in a sportsmanlike way gradually come to understand that the real winners in sports are those who know how to preserve and to behave with dignity- whether they win or lose a game.

Parents can help their kids understand that good sportsmanship includes both small gestures and heroic efforts. It starts with something as simple as shaking hands with opponents before a game and includes acknowledging good plays made by others and accepting bad calls gracefully.

Displaying good sportsmanship isn't always easy: It can be tough to congratulate the opposing team after losing a close or important game. But the kids who learn how to do it will benefit in many ways.

Kids who bully or taunt others on the playing field aren't likely to change their behavior when in the classroom or in social situations. In the same way, a child who practices good sportsmanship is likely to carry the respect and appreciation of other people into every other aspect of life.

The ideals of good sportsmanship, ethical behavior and integrity permeate our culture. The values of good citizenship and high behavioral standards apply equally to all activity disciplines.

In perception and practice, good sportsmanship shall be defined as those qualities of behavior, which are characterized by generosity and genuine concern for others. Further, awareness is expected of the impact of an individual's influence on the behavior of others.

DRUG TESTING FOR STUDENTS INVOLVED IN EXTRACURRICULAR ACTIVITIES

The Board of Education of the Sallisaw School District, in order to protect the health and safety of students participating in extracurricular activities and to educate and direct students participating in extracurricular activities away from drug and alcohol use and abuse has adopted a drug testing policy. This policy will be implemented during the school year of 2007-2008 and will initially affect students enrolled in 8th grade.

Statement of purpose and intent;

1. It is the desire of the Board of Education, administration, and staff that every student in the Sallisaw School District refrains from using or possessing, alcohol and illegal or performance enhancing drugs. The sanctions of this policy relate solely to limiting the opportunity of any student determined to be in violation of this Policy to participate in extracurricular activities. This Policy is intended to supplement and complement all other policies, rules and regulations of the School District regarding possession or use of alcohol and illegal or performance enhancing drugs.
2. Participation in school-sponsored extracurricular activities in the Sallisaw School District is a privilege, not a right. Students who participate in these activities are respected by the student body and are expected to conduct themselves as good examples of behavior, sportsmanship, and training. Therefore, these students carry a responsibility to set the highest possible example of conduct, which includes avoiding the use or possession of alcohol and illegal or performance enhancing drugs.
3. Sallisaw High School strives to create an educational environment free of alcohol and illegal and performance enhancing drug use. This policy is not intended to be disciplinary or punitive in nature. It is intended to educate, intervene, and prevent students from potential harm from inappropriate drug use.

Students and parents may obtain a complete copy of the Sallisaw Public Schools Drug Testing policy from the Principal or the Asst. Athletic Director at Tommie Spear Middle School.
