

Parents,

The [Parent P-EBT Review](#) Form is available July 17th – July 28th, 2023, if you need assistance with P-EBT for Summer 2023.

For Summer 2023, schoolchildren must meet three important eligibility requirements:

- Children must have been enrolled in a school district that participates in a federal meal program where meals are served at a school.
- Children must qualify for free or reduced-price meals based on income and have turned in the free or reduced-priced meal application to your children's school for 2022-2023 **by May 26th, 2023**, or be enrolled in a school that participated in the [Community Eligible Provision, Provision 2 or Provision 3](#) federal program in 2022-2023.
- Children must have been enrolled in a school district in May of 2023.

If you believe your child meets the above eligibility criteria and you **did not receive your summer benefit by July 17th, 2023**, please fill out the [review form](#) on the OSDE website by July 28th, 2023. Please submit a separate form for each student. Your school will have an opportunity to review your information. Only your child's school can verify eligibility for P-EBT benefits. **Any new benefits for Summer 2023 stemming from corrections will be disbursed by DHS in Fall 2023.**

If you have lost your child's P-EBT card, you may request a new card at (888) 328-6551 or connectEBT.com.
